

Qualio Premier content: IVD pathway

- Audit-tested
- 90% pre-built: ready for tailoring by you
- Built on best practice + industry expertise

Quality system content

- Quality Manual
- Electronic Records and Signatures
- General Change Procedure
- Document Control
- Risk Management
- Control of Quality, Regulatory and Product Records
- Training
- Purchasing and Supplier Evaluation
- Internal Quality Audits
- Analysis of Data
- Statistical Techniques
- Management Review
- Nonconformance Management
- Good Documentation Practices
- Customer Communications and Feedback
- Customer Complaints
- Corrective and Preventive Action
- Medical Device Reporting, Vigilance, and Incident Reporting
- Product Recall, Field Correction, and Advisory Notices
- Design Control
- User, Market, and Product Requirements
- Design Verification and Validation
- Process Validation Procedure
- Device Master Record
- Product Identification and Traceability
- Unique Device Identification
- Production Work Environment
- Production Work Order and Device History Record
- Storage, Handling, and Distribution
- Receiving of Purchased Materials
- Equipment Calibration and Maintenance
- Technical Files & Regulatory Controls
- Labeling and Packaging
- Product Order and Shipping
- Final Acceptance Inspection
- Sterilization of Product
- Contamination of Product
- Validation of Software and Spreadsheets
- Post-Market Surveillance
- Performance Evaluation Reporting
- External Audits
- Technical Files & Regulatory Controls (UK MDR)
- Development of Product labeling
- Clinical Evaluation Reporting
- Deviation Management
- Quality Policy
- Product Recall, Field Correction & Advisory Notices
- Management of Supplier Files in Qualio
- Creation of a Non-Conformance Report (NCR)
- Creation of a CAPA
- Creation of a Complaint
- Qualio's Design Controls Configuration
- Creation of a Supplier Corrective Action Record (SCAR)
- Creation of Event Change Request
- Creation of Deviations
- Managing Risk with Qualio Design Controls
- Perform an Extension Request
- Create and Edit Training Plans
- Organizational Chart
- Signature Matrix
- QMS Document to Regulation Matrix - IVD

Document templates

- Australian (TGA) Declaration of Conformity
- Bill of Materials
- CE Marked Product List
- Certificate of Analysis
- Certificate of Conformance
- Design Development Plan
- Design History File
- Design History File Index
- Device History Record
- Device Master Record
